Heritage – People – Landscape

We wanted our ethos “Heritage – People – Landscape” to be reflected in our wine selection. With the help of l’Art du Vin Wine Merchants, we have put together a focused and very personal list which includes wines made by independent, artisan producers from around the world. This list evolves according to seasons and we have included some little gems which are personal favourites.

Champagne and Sparkling Wines

The majority of the grapes used for vinification come from a radius of 20km around Epernay, where the Grand Crus of Pinot Noir, Pinot Meunier and Chardonnay co-exist, in the ethereal vineyards of the Montagne de Reims, the Vallée de la Marne and the Côte des Blancs.

The Billecart-Salmon Brut Réserve NV is a blend of 40% Pinot Meunier, 30% Chardonnay and 30% Pinot Noir. The most recent bottling contains around 40% of fruit from the 2015 harvest with the remainder topped up with reserve wines. The result is a light and delicately fruit-filled cuvée with aromatic and spicy notes from the Pinot Meunier. Further aromas include redcurrant, chalky notes and hints of ripe pears. The palate is round, elegant and finessed, leading to an intense, persistent, well-structured and saline finish.

Port

Ramos Pinto

Founded in 1880 by brothers Adriano and Antonio, this Port house has always had a pioneering spirit. In the early 20th century it became noted for its innovative and enterprising commercial strategies including the distinctive art nouveau advertising campaign. Ramos Pinto is run today by the heirs of these two energetic vintners: Jorge Rosas, Export Director and João Nicolau de Almeida, the enologist who was responsible for officially identifying the five key grape varieties (out of over 70 originally grown) that are best suited to wine production in the Douro region. His findings have been adopted by the authorities for all new plantings. In addition he introduced and developed vertical vine planting techniques in the region and has advanced Port and wine vinification by building two of the most modern wineries in the whole Douro region (at Quinta do Bom Retiro and Quinta dos Bons Ares).

All situated in the areas of the Cima-Corgo and the Douro Superior, the four quintas or estates that make up Ramos Pinto's holdings are: Quinta do Bom Retiro: in Pinhão, planted exclusively with red varieties. Quinta da Urtiga: adjacent to Bom Retiro. Quinta da Ervamoira: in the far upper Douro, by the Côa river near the Spanish border. Here the grapes grow in dry semi-desert conditions. Quinta dos Bons Ares: a cooler site with some of the highest vineyards in the Douro. Both red and white varieties ripen here with great natural acidity and fresh flavours. The award-winning ten- and twenty year-old Tawnies are produced at Quinta da Ervamoira and Bom Retiro respectively.
