Port

Ramos Pinto

Founded in 1880 by brothers Adriano and Antonio, this Port house has always had a pioneering spirit. In the early 20th century it became noted for its innovative and enterprising commercial strategies including the distinctive art nouveau advertising campaign. Ramos Pinto is run today by the heirs of these two energetic vintners: Jorge Rosas, Export Director and João Nicolau de Almeida, the enologist who was responsible for officially identifying the five key grape varieties (out of over 70 originally grown) that are best suited to wine production in the Douro region. His findings have been adopted by the authorities for all new plantings. In addition he introduced and developed vertical vine planting techniques in the region and has advanced Port and wine vinification by building two of the most modern wineries in the whole Douro region (at Quinta do Bom Retiro and Quinta dos Bons Ares).

All situated in the areas of the Cima-Corgo and the Douro Superior, the four quintas or estates that make up Ramos Pinto's holdings are: Quinta do Bom Retiro: in Pinhão, planted exclusively with red varieties. Quinta da Urtiga: adjacent to Bom Retiro. Quinta da Ervamoira: in the far upper Douro, by the Côa river near the Spanish border. Here the grapes grow in dry semi-desert conditions. Quinta dos Bons Ares: a cooler site with some of the highest vineyards in the Douro. Both red and white varieties ripen here with great natural acidity and fresh flavours. The award-winning ten- and twenty year-old Tawnies are produced at Quinta da Ervamoira and Bom Retiro respectively.

Brazil, Espresso Collection Daterra

This 100% Specialty Arabica of Bourbon Variety exhibits soft notes of berry , blackcurrant, caramel and hazelnuts with a heavy body . The ideal single origin espresso.

Guatemala Finca la Pastoria Swiss Water Process Decaf

As a washed Arabica coffee grown at altitudes up to 1830 metres, Guatemala Acatenango encompasses those classic Guatemalan traits - most notably being a sweet, aromatic and well balanced coffee with notes of blood orange, raisins and milk chocolate. The coffee is decaffeinated using the Swiss Water Process, guaranteeing it as being 100% chemical free.

Kona Coffee Festival Cupping Competition Crown Champion– Hawaiian Queen Coffee

Every November, the Kona Coffee Cultural Festival ensures that the story of Kona Coffee's nearly 200-year heritage continue to be shared with residents and visitors. The Festival features 10 days of festivities honoring pioneers, farmers and artisans. Amongst the events is a two day long coffee cupping competition. This highly prestigious event attracts Kona's most sought after estates, competing for the title.

Difference Coffee is proud to have sourced a limited supply of the Crown Competition winning estate Hawaiian Queen Coffee. This legendary estate has been the most coveted in the competition in the past decade, having ranked in the top 3 winners in the past 9 years a truly remarkable achievement! This is smooth, rich, has dark chocolate flavor, delicate acidity and timeless strong coffee appeal – a pure classic.

Jamaica Blue Mountain

Jamaica's Blue Mountains, a UNESCO World Heritage-listed landscape of verdant and misty peaks, has an unmatched heritage in the coffee world. The coffee that thrives in this glorious part of the Caribbean has been celebrated for centuries for its mellow, chocolatey flavour. Smooth and beautifully balanced, Jamaican Blue Mountain coffee consistently ranks among the best in the world.

Jamaican Blue Mountain coffee is strictly regulated, yet not all coffee marketed as Jamaica Blue Mountain is, in fact, the real deal. Many are blends that include only a fraction of genuine Jamaican Blue Mountain coffee; others confuse buyers with lower-grade "Jamaica Supreme" beans.

Rest assured, Difference Coffee sources its Jamaica Blue Mountain coffee from Sir John's Peak, an exclusive nano-lot at Wallnford estate – a legendary farm. 100% genuine Blue Mountain coffee rated as Grade
